Dear Mr. Doneth,

Thank for your letter informing me of naming an AWS Detroit endowed scholarship in my name. I was surprised and delighted to receive this honor.

I want to take this opportunity to thank the AWS Detroit Section for their outstanding efforts to advance the field of welding with their academic scholarship- and other programs. There is probably no other AWS Section which does more in sponsoring scholarships and seminars such as the Sheet Metal Welding Conference. I fondly remember the many AWS Detroit Section meetings I attended during my working life. I was always drawn to your section, even though I lived in western Michigan, since it fostered the advancement of resistance welding.

Thank you for the invitation to attend the Awards Night meeting on May 12, 2011. My wife and I are happy to attend this meeting and we have reserved this date on our calendar.

We are looking forward to the AWS meeting next May.

Sincerely,
